Movie stars Frances O’Connor, Jonny Lee Miller, Embeth Davidtz and Alessandro Nivola. Rating: PG-13 (1-hour 52-minutes). At 10, Fanny Price, a poor relation, goes to live at Mansfield Park, the estate of her aunt's husband, Sir Thomas. The film explores Fanny’s life as she grows into a clever, studious woman, and gifted writer. The movie deviates from Austen’s book in several ways, but preserves and is true to Austen’s central themes.
