

## *St. Andrew's Tidings*

*For the Week of May 1*

*Message from Margaret:*

***The Paraclete is connected with the power of the witness of believers for Jesus. The Paraclete functions beyond the community of faith by judging the world and demonstrating its wrongs. And the Paraclete leads believers into all truth. With that in mind, perhaps we should "rejoice" as Jesus suggests. We are in good hands.***

***—James C. Somerville.***

This is the time of year for high school and college graduations. We say good-bye to old friends and familiar places. We wonder what life will be like after the old and familiar is gone. Parting, as Shakespeare wrote, is such sweet sorrow. The sorrow is in knowing that life will never be the same; the sweet is in appreciating the gift of the past which prepares us to face the future. This is true of any transition in our life: moving to a new community, entering a new relationship, losing a loved one, changing careers. Our hearts are troubled, our minds worried, our spirits afraid.

These were the feelings of Jesus' disciples as Jesus spoke to them of his approaching arrest and death on the cross. Jesus said, "I am going away, and I am coming to you." What did Jesus mean? Would Jesus' earthly body no longer be with the disciples after his death and resurrection? Would Jesus return through the Holy spirit to teach them all that he had said and done? Jesus promised to be present in the Spirit throughout the countless communities and generations to come. The Body of Christ, the Church would spread throughout the world.

The Holy Spirit is the fulfillment of Jesus' promise that we will not be left orphaned and desolate. The presence of the crucified and Risen Jesus in the community of faith is known through the Holy Spirit. Jesus continues to comfort us with his words, "Let not your heart be troubled." Blessings, *Margaret+*

**ST. ANDREW'S TO HOST  
WORLD  
LABYRINTH DAY ON MAY 7 FROM 1-2 P.M.  
“Walk as One at 1:00”**

**People from all over the world will be walking labyrinths at 1 p.m. on May 7<sup>th</sup>. The walk will bring people closer together around the world. You are invited to walk our labyrinth at that time.**

**A labyrinth is a simple path that leads in to the center of the design and out again. Labyrinths date back to the 12<sup>th</sup> and 13<sup>th</sup> centuries when it became too expensive to make pilgrimages to Jerusalem. Labyrinths were created so that people could make their journey as it were.**

**A labyrinth is a metaphor for our journey through life as we meet twists and turns, and yet it brings us to the center where God is waiting for us.**

## ***EASTER PRAYERS***

My friend in seminary Suzannah Metz has written: ***Jesus' Resurrection calls us out of the tomb also. It calls us to open our communities to all. It calls our communities to be holy—holy because we believe that in loving others we are sharing the indwelling love of God. This ties in so well with the fact that our Presiding Bishop, The Most Rev. Michael Curry called for a season of prayer for regions of the Anglican Communion which are experiencing violence and civil strife. “In this season of resurrection, I call on everyone to pray for our brothers and sisters in areas where there is much burden and little hope,” he said. He addressed the situation in Brussels, noting, “the truth is even as we speak this Holy Week, we do so not only in the shadow of the cross but we do so in the shadow of those who have been kicked in Brussels, of those who have been wounded and maimed, of those who weep and mourn. And of a world mourning, and not too sure how to move forward.***

Consequently, quoting Galatians 6:2- “Bear one another’s burdens, and in this way you will fulfill the law of Christ”-he is calling for prayer throughout the holy season of Easter. Beginning on April 3, the Second Sunday of Easter and proceeding through Pentecost on May 15, the Episcopal Church is to pray for a particular province or region: \* Burundi; \* Central America; \* Democratic Republic of the Congo; \* Middle East; \* Pakistan; \*South Sudan. ## MEMORIAL GARDEN AND COURTYARD REFURBISHMENT

**Thanks to the generosity of the children of Anna Beckham, our Memorial Garden and Courtyard will soon receive a “make-over.” The vestry, at its last meeting heartily approved the landscaping and drawings of Alan D. Holt, A.S.L.A. Landscape Architect. This is a must needed improvement and we so give thanks for the family of our dear Anna for this lovely gift.**

*“O God, whom we worship in the beauty of holiness, the heaven of heavens cannot contain you. We give you thanks for the hands that will revitalize our Memorial Garden in memory of Anna Beckham, and offered to your honor and glory. Amen”*
