

St. Andrew's Sunday Tidings

Thank You Teri Floore!

For quite some time, Teri Floore has been the editor of the High Tidings. She has decided to move on to other avenues, but we want Teri to know how valuable her time and talent is here at St. Andrew's. Though she was busy with her work at the naval base, Teri faithfully put together articles and photos so that everyone had a timely picture of what was going on at St. Andrew's. Teri, we so appreciate you, your time, your many talents, and your faithful and caring presence here at St. Andrew's!!

The vestry has decided that in this day of electronic communication, we will no longer publish a monthly news letter, but will send out electronically each week important news and dates. This will also include a weekly insert in the bulletin called St. Andrew's Weekly Tidings. A copy will also be posted on the bulletin board. If you have announcements, they will go in these formats. It gives us the ease of sending out important information as it happens, instead of publishing things that have already happened.

Recycle, recycle, recycle! St. Andrew's will soon begin an recycling program through Trash and Recycling Roll Off; recycling paper, aluminum, tin, plastic, cardboard etc., and most of the things we use as a parish and school. Items will not have to be sorted. As one of two parishes in the Diocese that received the distinction of being an Earth Care Congregation, this fits into our goal of "going green." It will also save us money on our trash pick-up! The recycling will be for the church only.

2013 MEN'S CONFERENCE

TO BE HELD AT BECKWITH CAMP AND CONFERENCE CENTER

MARCH 1-MARCH 3

THEME: "LIVING INTO COMMUNION: LEARNING FROM CONFLICT AND GROWING IN HOLINESS"

THE REV. DR. JO BAILEY

Dr. Bailey is based at the Anglican Communion Office in London, working for the program of Continuing Indaba. She was previously professor of Old Testament. This should be a wonderful conference. Sign up on the bulletin board in Byrne Hall!
